is found in the Regr. of the Mangalore Th - vide page 48 of the Regr. (S.)

Tasdik - No.293 Bannadka Brahma - Padumarnad village Karkul Taluk - readmission.

This institution being out of repairs and services not being performed the tasdik allowance due to it has been held in deposit from Fasli 1320. As payment was not sought for -- over 6 years, the allowance was struck off the Register in --- April last under B S.O. 67. The amount concerned is Rs. 3/- and is paid under the Beriz Deduction System since 1882.

Brahmaya Ballala the duly appointed moktessor of the - institution, now applies for the readmission of the institution to allowances and payment of arrears on the ground that he has since repaired it and revived services.

The enquiry held by the Tahsildar shows that the institution has really been repaired and that services are being -- regularly performed I therefore recommend that the Board -- may be pleased to readmit the institution to allowances with - effect from Fasli 1329. I am not in favour of paying the --- previous arrears as the moktessor took no steps to repair the institution and revive services in spite of a notice served on him so far back as 8th June 1916.
